

GREENSOMES STABLEFORD

	DESCRIPTION
Format	Team competition, 2 players per team, strokeplay rules.
Scoring	Stableford.
Handicap Strokes Received	Rounded sum of: 60% of the lower playing handicap and 40% of the higher playing handicap

Both players tee off and the team then decide which of their two balls will be used for the remainder of that hole.

If Player A's ball is chosen, then Player B must play the next shot with that ball. Player A then plays the next shot with that ball and the team players alternate in this way until the ball is holed, or until it is picked up because the team cannot score any stableford points on a hole

"Penalty shots" and relief do not affect the order of play (e.g. if Player A hits the ball out of bounds then Player B must play the next shot from where Player A played the original ball, under penalty of 1 stroke, i.e. "stroke and distance"), even if it means that a lady golfer has to play from the men's tee and vice versa.

You should pick up if your team is unable to score any stableford points

You must record the gross score for the team under "Score" column A for each hole and the stableford score should be recorded in the "Points" column.

Both the marker and one of the players from the team must sign the card.
