

## PATSOMES

DESCRIPTION		
<b>Format</b>	Team competition, 2 players per team, strokeplay rules	
<b>Scoring</b>	Stableford.	
HOLES	PLAYED AS	HANDICAP STROKES RECEIVED
1 to 6	Better Ball	Full playing handicap.
7 to 12	Greensomes	50% of the combined playing handicaps.
13 to 18	Foursomes	

Each player plays a normal game of stableford. You should pick up if unable to score any stableford points on a hole.

To decide which holes to take shots on look at the **individual strokes for holes 1 to 6** and the **team strokes for holes 7 to 18**. An **individual** will receive 1 (or 2) shots on each hole 1 to 6 that has a stroke index less than or equal to the **individual's** stroke allowance. The **team** will receive 1 (or 2) shots on each hole 7 to 18 that has a stroke index less than or equal to the **team's** stroke allowance.

e.g. using the scorecard below Jack receives 20 strokes and the team receives 13 strokes:

- Jack will have 1 shot on each of the holes 2, 3, 4, 5 and 2 shots on holes 1 and 6;
- the team will have 1 shot on each of the holes 7, 9, 10, 13, 14, 15, 16 and 17.

Mark the scorecard as follows:

- **for the first six holes you must record the gross score for each player** in the respective "Score" column and the stableford score should also be recorded there;
- **for the last twelve holes you must record the gross score for the team** in "Score" column A for each hole;
- **for each hole you should record the team's stableford score** in the "Points" column.

**Both the marker and one of the players from the relevant team must sign the card.**

*(Example scorecard follows - for a fuller explanation see the description in the folder in the Pro shop)*

### Example scorecard for a Patsomes competition

COMPETITION							Medal/Stableford/Bogey					
Patsomes							Stableford					
DATE	01/04/2014		TIME	08:30			H'CAP	STROKES	TEES	PAR	CR	SR
