- 4-clubs and a putter is a fun, non-qualifying singles stableford competition
- played under strokeplay rules, scored as in normal stableford.
- each player is allowed five clubs (4-clubs and a putter) only in this game.
- Nominate your clubs before you start; mark them with the ribbon, or take the others out of your bag in leave in locker or with Caddymasters, please
- We'll go out in 3-balls at the usual intervals

Prizes: Best 18, Best Front 9, Best Back 9; and
Nearest the Easter Egg on all par 3s

Why not try something a little different this spring?

- 4-clubs and a putter is a fun, **non-qualifying singles stableford** competition played under strokeplay rules, scored as in normal stableford.
- **Each player is allowed five clubs** (4-clubs and a putter) only in this game. Hence, some call it "Five of Clubs" tournament.
- We'll go out in **3-balls at the usual intervals**
- Shots as per individual HCP allowance of the Ladies' red tee.
- If you cannot score, pick up. But who knows, maybe our scores are better with less clubs in the bag?!

Which clubs to choose?

- Obviously, the putter. The other **4 clubs are of your own choice**.
- Go with something you like, something you are confident with and something that offers versatility. Course management comes into play.
- If you don't want to leave the clubs in your locker or with Caddymasters, please mark your selected clubs with the Easter ribbon.

I hope as many as can will take part in this
4-clubs and a putter Easter challenge,
good luck, and

*Happy
Easter*
