- Treated greens, tees, collars and surrounds for mole crickets.
- Continued with the golf course spray program.
- Construction began on the new family putting green. Scheduled to be seeded before the end of July.
- A sand supplier has been identified and an order made. We expect delivery of 150 tonnes of sand for topdressing plus 270 tonnes of sand for the new village green to arrive within the next few days.

- Complete construction and seed the new resort family putting green.

- Install 3 x new sprinklers on 7 fairway.
- Lightly spike and vert-cut the greens.
- Continue weeding and pruning of the landscaped shrub areas.
- To cultivate and re-seed any fairway bare patches once the new sprinklers have been installed.
- Spray greens, tees and fairways with application of fertiliser and wetting agent.
- Continue to treat mole cricket infestation in greens, tees and collars.

(B) Course Report

- (SP) asked if (CF) could address the situation with the sunken Drain/Sprinkler just off the right hand side of the fairway on the 14th, as this is a trip hazard.

7 **Financial Matters:**

- The Financial Accounts were reviewed and approved.

8 **A.O.B:**

- (GN) advised that the '2's Rollover Survey' had once again been carried out, with a result of 51% to Rollover and 49% for Charity. 39 members had completed the survey with 20 for Rollover and 19 for Charity. Given this response the 'Rollover' system will continue to take place.
- (GN) advised that a member had questioned the 'Stableford Divisions'. (GN) responded by advising that (DF) splits equally the number of entrants from the final draw. This makes the prize fund for each division equal and numbers within each division equally competed. It also means the treasurer can pre-calculate the divisions and prize fund and not have any additional work to do on completion of the competition.

- (GN) announced that after undertaking the roll of Competitions Secretary for the past 6 years, he will be standing down after the next AGM. Given this it would be ideal if there were 2 volunteers that would be willing to be trained to undertake this position within the club. (GN) to issue email. (PH) and the rest of the committee gave thanks to (GN) for all his continued hard work.
- (CduCC) asked members to double check their gross scores on their score cards before signing, which will prevent mistakes being made.
- Mr Stellios advised that the Summer Open Charity Competition for 'CY4UA' (Cyprus help to Ukrainian Refugees here in Cyprus) taking place 9th July is organised. There will be a 'Silent Auction' taking place for an overnight stay in one of the 'Minthis Boutique Apartments' and will be advertised in advance together with a raffle on the day of the competition with 10 prizes.
